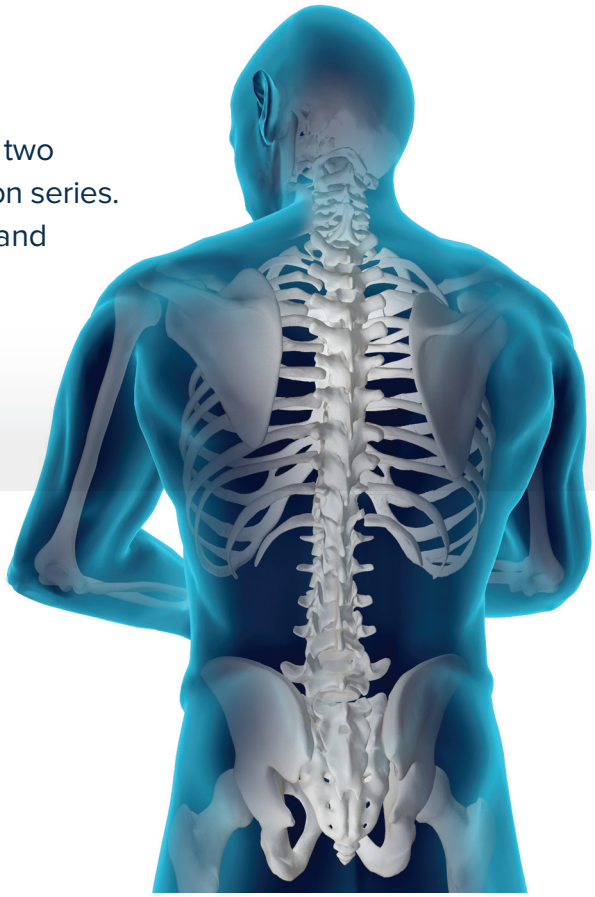
North Shore Private Hospital GP Education

Managing Back Pain
beyond medication

Northern Pain Centre and North Shore Private present the first two modules in the clinical pathway GP pain management education series. Module 1: Mechanical Back Pain. Module 2: Neuropathic Back and Leg Pain. Join us for the first part in this series looking at Mechanical Back Pain presented by Pain Specialists:
Dr Lewis Holford, Dr Nathan Taylor, A/Prof Charles Brooker and **Dr Martine Holford**



PROGRAM

- **Mechanical back pain clinical pathway**
- **Diagnosis, interventional treatment and post-procedural management**
- **Mechanical back pain case studies**
- **FAQs**
- **Multi-disciplinary management of mechanical back pain and the role of a pain program**
- **Rotating round-table Q&A discussion**

LEARNING OUTCOMES

- Assess and investigate someone who presents with back pain
- Confidently manage the initial treatment of someone with mechanical back pain.
- Implement a care path for the further management, referral and follow up
- Contribute to a multidisciplinary management team

Module 1 will also be presented on:
20 June – Lower North Shore and 27 June – Northern Beaches
Module 2 dates:
29 August – 19 September – 14 November
For more information call Aimee Carter, Northern Pain Centre on 02 9439 6456
