LEARNING OUTCOMES

- Discuss contemporary management approaches for common orthopaedic and sports-related injuries.
- Recognise appropriate referral pathways for urgent and emergency orthopaedic presentations.
- Identify current developments in fertility preservation and reproductive health relevant to general practice.
- Apply strategies to support patients experiencing barriers to accessing healthcare in regional and FIFO communities.

Speaker Panel

Dr Amy Hicks | Gynaecology

Dr Amy Hicks is a Specialist Obstetrician and Gynaecologist providing comprehensive care across all stages of a woman's life, from adolescent gynaecology and fertility management to menopause care. She offers both medical and surgical treatment for a wide range of gynaecological conditions, with interests in women's health, reproductive health, abnormal bleeding, pelvic pain, contraception, and menopause management. Dr Hicks combines evidence-based practice with a compassionate, patient-centred approach, ensuring women receive personalised care tailored to their individual needs. She consults privately at Hollywood Private Hospital, Monash IVF West and Woom, and also cares for complex obstetric and gynaecological patients at Fiona Stanley Hospital.

Contact Details Woom - 43 Richardson Street, West Perth, WA 6005

Dr David Kerr | Orthopaedic Surgery

Dr David Kerr is an Orthopaedic Surgeon at Joint Solutions with a specialist focus on hip and knee surgery. He consults in Subiaco and operates at Hollywood Private Hospital and other private hospitals across Perth. Dr Kerr also treats public patients through Royal Perth Hospital and St John of God Midland Public Hospital. His practice includes joint replacement, robotic-assisted surgery, minimally invasive techniques, and joint-preserving procedures, with a strong focus on delivering evidence-based, patient-centred care.

Contact Details Joint Solutions - 144 Churchill Avenue, Subiaco, WA, 6008
