PROGRAM

- 6.00 pm** **Arrival & Registration**
Networking and refreshments
- 6.30 pm** **Dr Dhina Chandran**
Paediatric & Adult ENT Surgeon
Topic: *Intracapsular Coblation Tonsillectomy*
- Dr Ryan Savage**
Anaesthetist
Topic: *Perioperative Management of Paediatric ENT Patients*
- 8.30 pm** Q & A / Close

LEARNING OUTCOMES

At the completion of this activity, participants will be able to:

1. Identify the clinical indications and patient selection criteria for intracapsular coblation tonsillectomy in paediatric patients.
2. Compare intracapsular coblation with traditional tonsillectomy techniques, including potential benefits, risks and postoperative recovery.
3. Recognise important preoperative assessment and anaesthetic considerations for paediatric ENT patients.
4. Discuss postoperative management, potential complications and appropriate follow-up care following paediatric ENT procedures.
5. Apply evidence-informed referral pathways and patient education strategies to support safe, coordinated care between GPs, ENT surgeons and anaesthetists.

Hours: 2 hours
