

# Managing Back Pain *beyond medication*

Northern Pain Centre and North Shore Private present the first two modules in the clinical pathway GP pain management education series.

Module 1: Mechanical Back Pain. Module 2: Neuropathic Back and Leg Pain. Join us for the first part in this series looking at Mechanical Back Pain presented by Pain Specialists:

**Dr Lewis Holford, Dr Nathan Taylor, A/Prof Charles Brooker and Dr Martine Holford**

## PROGRAM

- Mechanical back pain clinical pathway
- Diagnosis, interventional treatment and post-procedural management
- Mechanical back pain case studies
- FAQs
- Multi-disciplinary management of mechanical back pain and the role of a pain program
- Panel discussion

## LEARNING OUTCOMES

- Assess and investigate someone who presents with back pain
- Confidently manage the initial treatment of someone with mechanical back pain.
- Implement a care path for the further management, referral and follow up
- Contribute to a multidisciplinary management team

### Module 1 will also be presented on:

20 June – Lower North Shore and 27 June – Northern Beaches

### Module 2 dates:

29 August – 19 September – 14 November

For more information call Aimee Carter, Northern Pain Centre on 02 9439 6456
