

Suturing for GPs

it's a cinch!

The Avenue Hospital & Masada Private is very pleased to present a Suturing workshop for GPs. Come along and practice your skills and be guided through theory and a practical session with Plastic & Reconstructive Surgeon **Mr Marc Seifman**.

LEARNING OUTCOMES

After attending this session GPs will be able to:

- Utilise the most appropriate suturing techniques, instruments and materials in the management of skin lesions / wound closure
- Practice basic skin closure techniques
- Discuss differing scar outcomes associated with different treatment modalities

PROGRAM

- 6.30pm Registration and light refreshments
- 7.00pm Presentation and suture workshop
- 9.00pm Evaluation and close

It's easy to register
