

GP Education

A Joint Enterprise

Wollongong Private Hospital is very pleased to invite you to an evening of education featuring Orthopaedic Surgeon, **Dr Greg Stackpool** and Radiologist **Dr Derek Glenn**. Please join us for a night of interactive discussion.

LEARNING OUTCOMES

- Explain the normal total knee arthroplasty (TKA) recovery, function time and guidelines
- Address the reasons for patient dissatisfaction after successful TKA
- Identify imaging options for common joint disorders
- Discuss imaging based therapeutic options for joint disorders

PROGRAM

6.30pm Registration and dinner

7.00pm Presentations and discussion
