

# Keeping Women Safe and Well

- Preventing preterm birth
- Managing urinary incontinence

Frances Perry House is very pleased to invite you to an evening of GP education featuring Gynaecologist **Dr Chin Yong** and Obstetrician and Gynaecologist **Dr Scott Shemer**. Please join us for a night of interactive discussion.

## LEARNING OUTCOMES:

### Attendees will be able to:

- Undertake initial assessment and investigation of urinary incontinence.
- Develop a care path for women with urinary incontinence
- Discuss ways to reduce the risk of preterm birth with their patients
- Identify the latest information on preventing preterm birth
